By Austin Westphal  
Album Praise God  
Song #10

[Intro]

[Verse 1]

In the stillness of the morning, I lift my voice up high,  
Waiting on my Savior, with faith that will not die.  
Through the trials and the struggles, I trust His perfect plan,  
For in the waiting, I find strength in His loving hand.

[Chorus]

I'm waiting on God, my hope is in His name,  
He's faithful and true, His promises remain.  
Though the days grow long, and the night seems dark and cold,  
I'll keep waiting on God, for He's the anchor of my soul.

[Verse 2]

In the silence of the twilight, I pour my heart in prayer,  
Seeking His guidance, His wisdom, and His care.  
Though the answer may not come, as quickly as I desire,  
I'll keep trusting in His timing, for His ways are higher.

[Chorus]

I'm waiting on God, my hope is in His name,  
He's faithful and true, His promises remain.  
Though the days grow long, and the night seems dark and cold,  
I'll keep waiting on God, for He's the anchor of my soul.

[Bridge]

In the waiting, I find solace, in His presence I'm at peace,  
For He holds tomorrow, and every worry He'll release.  
With patience as my virtue, and His love as my guide,  
I'll wait upon the Lord, in Him I will abide.

[Chorus]

I'm waiting on God, my hope is in His name,  
He's faithful and true, His promises remain.  
Though the days grow long, and the night seems dark and cold,  
I'll keep waiting on God, for He's the anchor of my soul.

[Outro]

So, I'll wait with anticipation, for His perfect plan to unfold,  
Knowing that in His timing, His blessings will be untold.  
For in the waiting, my faith is being refined,  
I'll keep waiting on God, for His love is truly divine.
