

God's Goodness  
By Austin Westphal  
Album Praise God  
Song #9

[Intro]

[Verse 1]

In the stillness of the night, I find my voice,  
To sing of God's goodness, it's my joyful choice.  
He's the source of love, the giver of grace,  
His mercies endure, never-ending embrace.

[Chorus]

Oh, His goodness is unchanging, forever strong,  
Through every season, His love carries on.  
In every breath I take, in all that I see,  
I'll sing of His goodness, for eternity.

[Verse 2]

In the morning light, I lift my praise,  
For His faithfulness that fills my days.  
He's the hope that shines when the world grows dark,  
His steadfast love mends every broken heart.

[Chorus]

Oh, His goodness is unchanging, forever strong,  
Through every season, His love carries on.  
In every breath I take, in all that I see,  
I'll sing of His goodness, for eternity.

[Bridge]

From the highest mountaintop to the deepest sea,  
His goodness surrounds and sets me free.  
He's the light that guides, my constant friend,  
In His presence, I find peace, without end.

[Chorus]

Oh, His goodness is unchanging, forever strong,  
Through every season, His love carries on.  
In every breath I take, in all that I see,  
I'll sing of His goodness, for eternity.

[Outro]

So let the world hear this joyful sound,  
Of God's goodness, forever renowned.  
With every word I sing, with every note I raise,  
I'll proclaim His goodness, all of my days.

[Ending Chords]
