[Verse 1]

In a world that sometimes feels so heavy,
Where it's hard to find the strength to carry on,
Let me offer you a melody,
A song to remind you that everything is okay.

[Pre-Chorus]

When your fears are creeping in,
And the storms are getting strong,
Remember there's sunshine after the rain,
You're not alone, you belong.

[Chorus]

Everything is Okay, my friend,
Though troubles may come, they won't stay till the end,
Hold on tight, you'll find a brighter day,
Together we'll rise, everything is okay.

[Verse 2]

When life throws curveballs, and you stumble and fall,
Know that mistakes are lessons, part of it all,
Embrace the journey, and the bumps along the way,
Remember, my friend, everything is okay.

[Pre-Chorus]

When darkness overshadows your dreams,
And hope seems so far away,
Know that love can mend the broken seams,
Believe in yourself, let your fears fade away.

[Chorus]

Everything is Okay, my friend,
Though troubles may come, they won't stay till the end,
Hold on tight, you'll find a brighter day,
Together we'll rise, everything is okay.

[Bridge]

Sometimes it's hard to see the silver lining,
Amidst the chaos and the noise,
But faith can guide us towards serenity,
And remind us of the beauty in life's joys.

[Chorus]

Everything is Okay, my friend,

Though troubles may come, they won't stay till the end,

Hold on tight, you'll find a brighter day,

Together we'll rise, everything is okay.

[Tag]

Everything is Okay, my friend,

Trust in the journey, believe till the end,

With love and strength, we'll find our way,

Together we'll rise, everything is okay.

[Outro]

Take a deep breath, let your worries fade away,

No matter what challenges come your way,

Remember, my friend, this song will always say,

Everything is okay, everything is okay.
