By: Austin Westphal
Album: Living for Us
Song #9

VERSE 1:

We worship the king who was
We worship the king who is
We worship the king who evermore will be
We won't let this go

CHORUS:

Let the king of the world
Be the one living inside of me
We shout out to the king
That, The King of the World
Is living in my heart

Let the king of the world
Be the one living inside of me
We shout out to the king
That, The King of the World
Is living in my heart

VERSE 2:

We sing to the King who Saves
We sing to the King who Heals
We sing to the King that always makes the way
There's Joy in the King of the World

CHORUS:

Let the king of the world
Be the one living inside of me
We shout out to the king
That, The King of the World
Is living in my heart

Let the king of the world
Be the one living inside of me
We shout out to the king
That, The King of the World
Is living in my heart

We shout out to the king
That, The King of the World
Is living in my heart

Let the king of the world
Be the one living inside of me

That, The King of the World

Is living in my heart
