

Walk Next to God  
By: Austin Westphal  
Album Praise God  
Song #6

[Intro]

[Verse 1]

In this journey of my life, I walk beside my Lord,  
Through valleys deep and mountains high, He's my guiding sword.  
Through every trial and every test, He's right here by my side,  
With every step, in His embrace, I find my strength and stride.

[Chorus]

Walking next to God, hand in hand we go,  
His love surrounds me, His grace begins to flow.  
In every season, He's faithful and true,  
Walking next to God, I find my hope anew.

[Verse 2]

When shadows fall upon my path, His light will lead the way,  
His word a lamp unto my feet, I won't go astray.  
Through stormy seas or desert lands, I know I won't be lost,  
For He's the Shepherd of my soul, no matter what the cost.

[Chorus]

Walking next to God, hand in hand we go,  
His love surrounds me, His grace begins to flow.  
In every season, He's faithful and true,  
Walking next to God, I find my hope anew.

[Bridge]

In moments of uncertainty, I trust His perfect plan,  
He whispers peace, He calms the storms, with Him, I firmly stand.  
His promises are my anchor, His love will never cease,  
With grateful hearts, we journey on, embraced in perfect peace.

[Chorus]

Walking next to God, hand in hand we go,  
His love surrounds me, His grace begins to flow.  
In every season, He's faithful and true,  
Walking next to God, I find my hope anew.

[Outro]

As I walk this narrow path, my faith in Him will grow,  
Forever grateful for His love, forever I will know,  
That walking next to God, my heart will surely find,  
Eternal joy and boundless grace, in His presence I reside.
