

Devil You're Done
By: Austin Westphal
Album: Praise God
Song #5

[Intro]

[Verse 1]

In the darkness of the night, evil tries to take its hold,
But we stand strong in faith, for our Savior we behold,
The devil prowls around, seeking whom he may deceive,
But we trust in God's power, in Him we will believe.

[Chorus]

Oh, the devil, you're done, your reign will not prevail,
For Jesus has conquered, His love will never fail,
We lift our voices high, proclaiming victory won,
In Jesus' precious name, the devil, you're done.

[Verse 2]

He tempts us with desires, trying to lead us astray,
But we resist his lies, walking in God's righteous way,
With the armor of God, we stand firm in the fight,
Knowing that in Christ, we have eternal light.

[Chorus]

Oh, the devil, you're done, your reign will not prevail,
For Jesus has conquered, His love will never fail,
We lift our voices high, proclaiming victory won,
In Jesus' precious name, the devil, you're done.

[Bridge]

No weapon formed against us shall prosper or succeed,
For the power of the cross is all that we will need,
With every step we take, we'll walk in faith and trust,
Knowing that in Christ, the devil's plans are crushed.

[Chorus]

Oh, the devil, you're done, your reign will not prevail,
For Jesus has conquered, His love will never fail,
We lift our voices high, proclaiming victory won,
In Jesus' precious name, the devil, you're done.

[Outro]

So let us rise together, as warriors of the light,
With Jesus as our guide, we'll overcome the night,
For in Him we find strength, His grace will see us through,
The devil is defeated, in Christ we're made anew.
