

Our Living Hope
By: Austin Westphal
Album: Living for Us
Song #3

VERSE 1:

How far have you fallen from the Hope of God?
Do you need the grace of God to forgive you?
The grace of God will always forgive you of your sins
Just remember that.... (1, 2, 3, 4)

CHORUS:

His love surrounds us
We shall not fear for we are safe with him
He is Good, he is our Living Hope
His Amazing Grace is what we live for

VERSE 2:

He is Good, He is God, He is our Living Hope
Almighty God, you go before us
You shine in the darkness
You give light when we can't see

CHORUS:

His love surrounds us
We shall not fear for we are safe with him
He is Good, he is our Living Hope

His Amazing Grace is what we live for

We shall not fear for we are safe with him

He is Good; he is our Living Hope

His Amazing Grace is what we live for

REPEAT VERSE 1:

How far have you fallen from the Hope of God?

Do you need the grace of God to forgive you?

The grace of God will always forgive you of your sins

Just remember that.... (1, 2, 3, 4)

BRIDGE:

The grace of God is our Living Hope

His grace surrounds you no matter what

Do not Fear for our Living Hope kicks those fears

Out the door!

CHORUS:

His love surrounds us

We shall not fear for we are safe with him

He is Good, he is our Living Hope

His Amazing Grace is what we live for

We shall not fear for we are safe with him

He is Good; he is our Living Hope

His Amazing Grace is what we live for
