

Power of Jesus

By Austin Westphal

Album Praise God

Song #11

[Intro]

[Verse 1]

In the depths of darkness, hope was hard to find,
Lost in sin and chains that bound my troubled mind.
But then I heard a whisper, a voice so pure and true,
It spoke of love and mercy that only Jesus knew.

[Chorus]

Oh, the power of Jesus, mighty to save,
He conquered sin and death, triumphant from the grave.
His love is everlasting, His grace will never cease,
In His name, there's redemption, and everlasting peace.

[Verse 2]

The blind received their sight, the broken found their way,
The captive souls were freed, and darkness turned to day.
He healed the wounded hearts, brought comfort to the weak,
Jesus, our Redeemer, the One we gladly seek.

[Chorus]

Oh, the power of Jesus, mighty to save,
He conquered sin and death, triumphant from the grave.
His love is everlasting, His grace will never cease,
In His name, there's redemption, and everlasting peace.

[Bridge]

No chains can bind us, no fear can hold us down,
For Jesus is our fortress, our solid holy ground.
With every step we take, His strength will guide our way,
He's with us through the valleys, and in His arms, we'll stay.

[Chorus]

Oh, the power of Jesus, mighty to save,
He conquered sin and death, triumphant from the grave.
His love is everlasting, His grace will never cease,
In His name, there's redemption, and everlasting peace.

[Outro]

So let us lift our voices, in praise and adoration,
To the One who reigns forever, the source of our salvation.
For in His power and glory, we find eternal rest,
Jesus, our Savior, the One we love and bless.

[Ending Chords]
