

We are His  
By: Austin Westphal  
Album: Living for Us  
Song #6

**VERSE 1:**

Who sees every victory of mine?  
Who can see the victories that We can't see?  
God sees every victory of mine  
When all I see is the broken victories,  
God sees them brand new.

**CHORUS:**

The power of Our God tells Us that  
We are His and He is Mine  
There is nothing that can stand between  
The power of Our God for He is Mine.

**VERSE 2:**

Oh, Almighty Fortress, for We are His,  
And the Almighty Fortress is Ours.  
When all we feel is failure and brokenness  
God mends the failures and brokenness into  
Huge Successes and a life made new.

**CHORUS:**

The power of Our God tells Us that  
We are His and He is Mine  
There is nothing that can stand between  
The power of Our God for He is Mine.

For We are His and He is Mine  
There is nothing that can stand between  
The power of Our God for He is Mine

**BRIDGE:**

When we trust in the Lord God,  
He will call us his children  
We are His and He is Ours  
Thank You God! (Yeah)

**VERSE 2 REPEAT:**

Oh, Almighty Fortress, for We are His,  
And the Almighty Fortress is Ours.  
When all we feel is failure and brokenness  
God mends the failures and brokenness into  
Huge Successes and a life made new.

**CHORUS:**

The power of Our God tells Us that  
We are His and He is Mine  
There is nothing that can stand between  
The power of Our God for He is Mine.

For We are His and He is Mine  
There is nothing that can stand between  
The power of Our God for He is Mine

**TAG:**

For We are His and He is Mine
