

God is Here

By Austin Westphal

Album Praise God

Song #2

[Intro]

[Verse 1]

In the silence of the night, I feel Your presence near,
A gentle whisper in my soul, dispelling every fear.
You're the One who calms the storm, the anchor in my soul,
In Your embrace, I find my peace, for You are in control.

[Chorus]

God is here, with us tonight,
His love surrounds us, shining bright.
In every moment, He's always near,
In His presence, there's nothing to fear.

[Verse 2]

In the beauty of creation, Your glory shines so bright,
The mountains and the oceans sing of Your majestic might.
From the rising of the sun to its setting in the sky,
Your fingerprints are everywhere, the wonders testify.

[Chorus]

God is here, with us tonight,
His love surrounds us, shining bright.
In every moment, He's always near,
In His presence, there's nothing to fear.

[Bridge]

You are the Alpha and Omega, the beginning and the end,
The One who holds eternity, our Savior and our friend.
With open arms, You welcome us, into Your loving embrace,
In Your presence, we find our rest, our hearts forever changed.

[Chorus]

God is here, with us tonight,
His love surrounds us, shining bright.
In every moment, He's always near,
In His presence, there's nothing to fear.

[Outro]

So let us lift our voices high, in praise and adoration,
For God is here, among us now, our source of inspiration.
With grateful hearts, we'll sing Your praise, forever and always,
For in Your presence, we find our home, now and for all our days.
