**VERSE 1:**

When I need You to move the Mountains  
That I need moved  
When the questions are not answered  
I will wait patiently

**CHORUS:**

You are My Resurrection Power  
You are My firm foundation  
Your Resurrection Power proves  
That You are alive and breathing!

You are My Resurrection Power  
You are My firm foundation  
Your Resurrection Power proves  
That You are alive and breathing!

**VERSE 2:**

When My Amazing God  
Does not come through  
When You don't Trust in Me  
You are My strength and Comfort.

**CHORUS:**

You are My Resurrection Power  
You are My firm foundation

Your Resurrection Power proves  
That You are alive and breathing!

You are My Resurrection Power  
You are My firm foundation  
Your Resurrection Power proves  
That You are alive and breathing!

The Power of Resurrection is His Great Love  
He was Resurrected from the tomb  
And was given a second life!  
I Believe He is living in My heart!
