

We Put Our Trust in You
By: Austin Westphal
Album: Living for Us
Song #4

VERSE 1:

When You don't move the mountains,

We will trust that You already plan to move the mountains

When You don't answer Our questions,

We know You are going to answer them.

CHORUS:

Every Moment of Our wondering,

Does not change what You see

No matter what,

We put Our trust in You

No matter what,

We put Our trust in You,

Every Moment of Our wondering,

Does not change what You see.

VERSE 2:

The truth is, You know what tomorrow will bring

Our trust in You is what We want,

And We don't want anything less than

The trust that We put in You

CHORUS:

Every Moment of Our wondering,

Does not change what You see

No matter what,

We put Our trust in You

No matter what,

We put Our trust in You,

Every Moment of Our wondering,

Does not change what You see.

BRIDGE:

We will trust in You,

All Our Trust that We put in You

Will never vanish, So We will

Always put Our trust in You

All Our trust that We put in You

Will never vanish, So We will

Always put Our trust in You.

CHORUS:

Every Moment of Our wondering,

Does not change what You see

No matter what,

We put Our trust in You

No matter what,

We put Our trust in You,

Every Moment of Our wondering,

Does not change what You see.
