

I Choose Jesus

By: Austin Westphal

Album: Praise God

Song #4

[Intro]

[Verse 1]

In the quiet of the morning, before the break of dawn,
I feel a gentle stirring, a new day has been born.
I look upon the sunrise, the beauty it displays,
And in this tranquil moment, to Jesus, I set my Gaze.

[Chorus]

I Choose Jesus, the Savior of my soul,
In times of joy and sorrow, it's Him I want to hold.
I choose Jesus, His love has made me whole,
In every step I'm taking, His grace, it overflows.

[Verse 2]

In the hustle of the midday, amidst the noise and strife,
I find a calming presence, the Way, the Truth, the Life.
In every challenge faced, in every victory won,
In all my days, I choose the holy Son.

[Chorus]

I choose Jesus, the Light in the darkest night,
With Him, I can conquer, with Him, I'll win the fight.
I choose Jesus, my Guide, my Delight,
In the midst of stormy seas, He is my beacon bright.

[Bridge]

With every breath I'm taking, with every beat of my heart,
I choose to walk with Jesus, never will we part.
In every trial, every joy, in every tear, every smile,
With Jesus, every step, every single smile.

[Chorus]

I choose Jesus, my Refuge, my Strength,
His love is everlasting, it knows no length.
I choose Jesus, my Hope, my Song,
With Him, I know I truly belong.

[Ending Verse]

As the sun sinks low, and the day is almost done,
I reflect on my choices, on the battles won.
Through every up and down, through every loss and gain,
I choose Jesus, again and again.
